22. Miss Shreyashi Chowdhury; daughter of Member of Parliament Mr Adhir Ranjan Chowdhury -Terrorist mapped her mind and brain using ban technology make her fell from roof; satellite surveillance video recording of India and other countries will reveal truth. To stop those serial killer we need to identify them using satellite surveillance video recording. They use brain and mind hijacking method to assassinate innocent people.

Those terrorist tried to do with me two time; on 9th December 2010 they mapped my mind and tried to make me fell down from Running train (Bidhannagar to Barasat Emu). I some how control myself and survived.

In 2018-2019 when I was playing Football in Nabason Village Play ground they connected my brain and flow a thought process to commit Suicide, during play I was focused on football and players; It was unwanted thought they broadcast to Assassinate people.

23. Miss Soumya Viswanathan journalist assasinated near New Delhi.

24- Similarly they hanged Mr Sushant Singh Rajput flim actor.

**From 2022 to 2024 they have assasinated Mr Cyrus Mistry, Mr. Karl Slym, Mr. Subrata Roy Sahara, Mr. Rahul Bajaj, Mr Ratan N Tata.**

Before these insident happened I informed Police and In social Media they are not acting on FIR and helping those anti social and criminals inside West Bengal.

They have assasinated Business Man, Sports Man, Politicians, Government Officers, IPS officers and IAS officers, Prime Minister of India and Father of Nation of our birthplace.

From West Bengal and neighbouring countries terrorist activities increasing muscle power of those Anti-Socials.

They have assasinated many millions of innocent people however in social media, internet, newspaper, Television; Radio and Facebook, Twitter it is not published who are doing this.

Satellite surveillance video recording can establish Truth in just one day if people have any desire to protect people of our birthplace.

You can easily able to found who are the people assassinated former prime minister Shri Rajiv Gandhi.

You can prove who have stolen first Nobel Prize of Asia from Shantiniketan, Birbhum, West Bengal.

You can prove how former Tata Chairman Mr Cyrus Mistry died in Road Traffic Accident.

You can prove how they attacked in Taj Hotel Mumbai in November 2008.

Every thing crafted against financial strength and economic condition of Bharatbarsha.

I have tried to save Former Prime Minister of India Shri Rajiv Gandhi in 1991 by making several FIR however I have been isolated. I have tried to save Mr. Ramesh Tendulkar by informing Shri Sachin Ramesh Tendulkar in 1998 however effectively he has not been saved because of lack of initiatives to save him.

I tried to save entire world from covid and corona virus by making FIR in multiple police station in 1st May and Second May 2006 from Mumbai from the venue and Mr. Anand Mahindra's Birthday.

I tried to save Mr. Cyrus Mistry by informing Shapoorji Pallonji Group and Mr Sourav Chandidas Ganguly on 27 MAY 2022;

However West Bengal Police reluctant to take any initiative to save Business Man, Business organisation and Startup organisation in last 50 years. Anti Social and Terrorist help some of the Political Party cadders to destroy earnings for the people of West Bengal . Several hundreds of organisation destroyed in West Bengal because of Jongi Andolon of Cadders of Political Party. It is one kind of terrorism to destroy financial strength and economy of West Bengal.

Intelligent Bengali people forgot to anlaise fact and truth,

It is because of collaborative effort of anti social and Police of West Bengal which helps terrorist to destroy Wset Bengal and Bharatbarsha (India) After Independence.

Once upon a Time West Bengal was financial Capital and Administrative Capital of India.

In last 50 years it became Terror Cultivation Services Limited (TCSL) where Painting Exhibition Of Mr.Rashid Khan (who assassinated near about 70 people in Bohubazar) is more important than protection of Intellectual Property of Bengal.

Kobiguru Rabindranath Thakur show everyone what is important to rebuild Bharatbarsha by protecting Intellectual Property of every citizen of Bharat.

However Political Party Head of Wset Bengal in last 50 years does not believe, faith and trust in Bengali Talent. They do not find anything from Swami Vivekananda; Kobiguru Rabindranath Thakur and Netaji Subhash Chandra Bose and many other greatest Bengali.

They can effort to humiliate Captain of India Mr Sourav Chandidas Ganguly by saying in Television Coverage (Sourav can hang his boot; Sourav can hang his helmet, Sourav can hang his helmet, Sourav can hang whatever he likes; it is Management descension that Sourav will not be part of Kolkata IPL team )

They have assassinated Doctor Subhash Mukhapadhyay who invented first test tube baby in Bharat named Durga, and created a movie"Ek doctor ki maut" they described it as suicide.

Similarly they have assassinated my Niece Mrs PIUE Ghosh PhD in Engineering from IIT Gandhinagar and also described it as Suside.

I was bitten badly near Bengal Intelligence Park Saltlake Sector five, Kolkata, West Bengal in July August 2008, God Saved My Life.

Satellite surveillance video recording of any country and every word can prove what is Truth.

In hope of Justice inside my birthplace

Thanks and Regards

Sanchayan Ghosh
