

To Law maker Shri Sachin Ramesh Tendulkar from Sanchayan Ghosh, सञ्चयन घोष

I am Sanchayan Ghosh son of Samiran Ghosh permanent residence House Number 12A; Village and Post Nabason, Birbhum-731125; West Bengal. I was staying with my father at flat number 5, Britannia Engineering Products and Services Limited, Titagarh 24 Parganas North, West Bengal-700119 from 1985 to 2004.

In 1998 I came to Maharashtra, during a cricket match between Bengal and Maharashtra and told “a terrorist group planned to create artificial heart attack to Mr Ramesh Tendulkar during world cup 1999.”

In dressing room of that domestic cricket match you kept a Shri Ganesha Idol.

I wrote everything how to protect Shri Ramesh Tendulkar during world cup 1999 and written in paper and gave it to you. God can make him alive in front of you. **As God has make me alive from my burning funeral of Rani Rashmoni Burning Ghat, Titagarh, 24 Parganas North - West Bengal, India -700119, (743188) in the month of July-August 2008.**

You had a small digital camera; you had recorded my conversation on it.

After I returned home those bengali speaking terrorist group had damaged my Skull inside Britannia Engineering Products and Services Limited, Titagarh, 24 Parganas North, Kolkata -700119, (Old 734188), West Bengal, India.

I informed police in 1991 in the month of May to save former prime minister Rajiv Gandhi, logged several FIR from Jamshedpur GRP, Jamshedpur Police Station, Kolkata Police. A Group had bitten me badly and threw me beside rail line of Jamshedpur, I found myself unconscious until the next day morning beside left most side of Rail Line towards Howrah.

FIR numbers I had written in my shirt and garments I was wearing.

Through Satellite surveillance video you can establish Truth to entire world.

I am under treatment at Ruby Hall, Pune, Maharashtra, India for last 6 years because cyber and invisible terrorist damaged my brain and body regularly.

I lost my mother, second mother and sister as they have assassinated them. I

informed West Bengal Police, Members of Parliament of Barrackpore, MLA of Barrackpore, Newspaper Journalist, Trinomool Congress President of Barrackpore Mr Lalon Paswan-9903039182, Agricultural and food Minister Shri Naren Dey 9432541935. His son Surya Dey was my classmate at Hooghly Institute of Technology.

Later I Joined Federal Bureau of Investigation in Germany 2007. My FBI ID is 151072.

West Bengal Police does not understand Bengali language and provides favour to Anti-Socials and criminals who are assassinating family members of Army officers, Government Officers, School Teachers, Doctor, Engineer, Sports person and Spiritual person.

To Law maker Shri Sachin Ramesh Tendulkar from Sanchayan Ghosh, सञ्चयन घोष

System of West Bengal is more interested in destruction of industries and startup organisations and provides support to the people who smuggle opium.

They had created trouble regularly to build CAD models and drawings of two Railway Engines WAG-9 and WAG-5 for Indian Railways. When I reported to Titagarh Police and Barrackpore Police commissionerate about cyber threat they never provided support.

When I reported to them to log any FIR they insisted me to take medicine for mental disease.

That is why West Bengal lost Deputy Commissioner of Police Mr Vinod Mehta and his bodyguard Mr Mokhtar Ali in 1984.

System of West Bengal gave freedom to Anti-Socials to publish against the Chief Justice of Calcutta High Court, "Lala Bangla Chhere Pala".

Because of those people from West Bengal I lost 12 women family members and relatives and 4 male family members.

Mr. Virat Kohli lost his father, Mr. Sourav Ganguly lost his Father.

They have artificially crafted disease and injuries to you and Mr Yuvraj Singh, Mr. Leander Paes and Mr. Hardik Pandey.

They have crafted a Road Traffic Accident to Mr.Rishav Panth and Mr. Cyrus Mistry. They had assassinated several Indians from 75th Independence year 2022.

No one should think to change his or her world before 100.

Shri Sachin Ramesh Tendulkar crafted his hundred centuries, he will let you know how to live 100 years without having any anxiety, depression and sufferings.

Mr Keshav Mahindra lived 100 years

Shrimoti Hiraben Modi lived 100 years

Great Cricketer Mr Sunil Monohar Gavaskar can guide ourselves how to live 100 years.

My kind request please do not lose hope when doctor says you have only few days time in life. Doctor never says that a assassinator who are against God hijack Doctors brain and mind and tried to destroy mental strength to live life.

You can and you will. We have to connect entire world, success story of life, we have to be mentally charged ourselves that God is there for you and even after anyone's funeral God will make everyone alive to gift a better life.

Most of the sufferings, injuries, heart attack, brain stroke, cancer, tumor, kidney disease, Intestine disease, heart disease are not a natural incidents.

It is artificially crafted on your body by a group who are against philosophy of GOD.

In Germany 2007 near Munich when I was Volunteering for Federal Bureau of Investigation. A Bengali God connected me and Federal Bureau of Investigation team. God knows time of everyone's life.

God knows what type of diseases and injuries ahas written on your body and mind and your life time.

God can release those writing and erase every disease from future.

Some of the people knows future, some of the people knows future who work for Taim, Somoy.

They tried to save ourselves.

We have to lookback their instructions and their description what need to be done as they said. FBI had downloaded my brain information in Germany 2007, inside my brain information you will be able to find it out every instructions God people and people worked for time said. My FBI employee ID is 151072.

To Law maker Shri Sachin Ramesh Tendulkar from Sanchayan Ghosh, সঞ্চয়ন ঘোষ

When people who work for somoy tells me, I broadcast every where to save life and save human civilization.

I am under terrorist attack who are using invisible weapon and damaging my brain and body regularly for Last 10 or more year.

Disease they crafted in my body and mind, God can delete those diseases and delete what is written in your fate.

Tomorrow is Maha Shivaratri, it is Shiv who will defeat Na-Shiv (bhagya-fate), by his supremacy in somoy.

Lord Shiva wants to give a peaceful, happy life for everyone.

They had crafted Artificial Road Traffic accident to me more than 10 times.

My father Shri Samiran Ghosh phone number is 9547339241, who was selected as Air force Pilot in between 1960-1965 and served as Engineer to State and Central Government near about 40 years. He does not get any pension for his honesty.

They are regularly torturing my father Mr Samiran Ghosh, my younger sister Mrs Tania Ghosh Biswas, my nephew Mr Saswata Bairagya and niece Ms Tanbi Biswas. They had brutally tortured my pet dog KUTTUS, they assassinated her on 17th February 2025.

I stayed with the former President of India Dr. APJ Abdul Kalam for two days and committed to donate my heart to save his life in 2003, Deepavali.

I demonstrated a TELEPORT application to save every citizen of India to Mr Rahul Gandhi in 2007 and demonstrated TELEPORT from Kandivali to Worli in 2007.

I stayed with Prime Minister Shri Narendra Damodardas Modi ji two day in 1991 at Gujarat. Seeking help from you. I am in Pune, Maharashtra for last 4 years.

Our Birthplace is in huge crisis as from Bengal, a group hijacked Bengali brain and mind and not allowing Bengali People to think what is correct and what is anti Bengal activity.

Before independence Bengali people were able to think and plan our freedom however after political parties started violence activity from 1967 by burning Trams and Buses in protest of ticket price increase.

They removed Shri Sourav Chandidas Ganguly from the IPL team of Kolkata and destroyed cricket of Shri Sourav Ganguly to make followers of Bangladesh happy.

They gave you illegal out during 1999 Asian Test Championship at Eden Garden to make Pakistani supporters happy.

They had crafted Attack on the American Embassy on 22nd January 2002.

To Law maker Shri Sachin Ramesh Tendulkar from Sanchayan Ghosh, सञ्चयन घोष

Respect to a Great Man and Cricketer Sunil Mr. Monohar Gavaskar as he told me during hero cup at Eden Garden that smoking is a crafted habit, they implemented in the human mind to increase fund for terrorism. Mr M L Jaysima was smoking at that time, he said they had crafted heart attack date on Mr M L Jaysima, if he quit smoking his life can be increased. Smoking is funding for terrorism. Kindly suggest Mr. Amitabh Bachchan to visit USA or Germany for his medical treatment as early as possible.
